

ethical clothing australia certificate of accreditation

ethical
clothing
AUSTRALIA

This is to certify that

M & S Sisley Pty Ltd

Has successfully undergone the
Ethical Clothing Australia accreditation process

The Ethical Clothing Australia accreditation and labelling system is a joint business-union initiative aimed at assisting local textile, clothing and footwear businesses to ensure that Australian workers making their products receive fair wages and decent conditions.

Accredited brands are licensed to display the Ethical Clothing Australia trademarks on their Australian-made textile, clothing and footwear products and certain promotional materials.

Angela Bell
National Manager, on behalf of the
Homeworker Code Committee Inc
