# COMPANY PROFILE

**S**isley Clothing is family owned and operated, established in 1997. A decade earlier, Matt got his start in the clothing manufacturing industry as a pattern maker. Sisley Clothing Australia is currently comprised of extremely talented, adept, multifaceted staff members. The company culture aligns to outperform their competitors and achieve strategical advancement in all sectors of the clothing industry. Adhering to compliance standards of quality acknowledged worldwide, Sisley Clothing is entirely ISO 9001-2015 compliant.

Sisley Clothing manufactures a wide range of custom-made one and two piece Nomex flights suits for the aviation sector. Expanding product lines also include intelligent protective clothing for a variety of tactical teams as well as high visibility or hazard protection work wear for the oil, gas and mining industries.

Choosing only the best suppliers of Nomex fabric, YKK Nomex zippers, Fire Retardant Hook & Loop, Nomex thread and 3M fire retardant reflective tapes allows Sisley Clothing to stand behind their outstanding products. Whether you require a basic flight suit or one sporting custom made additions which can include specially positioned pockets, reflective tape, screen printing or embroidery, Sisley's mission is to supply their customers with individual tailor made intelligent protection.

There are no minimums

Personalised designs and order information is retained for future orders.

On a larger scale, to assist in fitting, a complete sizing kit consisting of all sizes, is available free of charge.

To improve the fit, Sisley staff can choose the best size including adjustments.

Sisley Clothing Australia won't rest until their customer is happy with the order.

The Sisley Clothing website is updated regularly with our most popular aviation clothing and protection apparel, but we do carry related items that are not listed on the website. If you have a product that you have been unable to source elsewhere or have not found it on Sisley Clothing Australia, please contact us we do supply a wide range of specialised equipment and products upon request.

# FABRIC SELECTIONS

GSM:  
Grams per square meter

Nomex® Comfort [ 93% Nomex, 5% Kevlar, 2% Carbon Fibre ]			
Colour	Weight	Code	Durable Water Repellency
Black	150gsm / 4.5oz	9294B150	✓
	200gsm / 6oz	9524B200	✓
Navy	150gsm / 4.5oz	9294N150	✓
	200gsm / 6oz	9524N200	✓
Royal Blue	150gsm / 4.5oz	9294RB150	✓
	175gsm / 5.2oz	9295RB175	✓
Medical Green	150gsm / 4.5oz	9294MG150	✓
	200gsm / 6oz	9524MG200	✓
Freedom Green	150gsm / 4.5oz	9294FG150	✓
Tan	150gsm / 4.5oz	9294T150	✓
Lime Green	200gsm / 6oz	9524L200	✓

Nomex Comfort, Nomex IIIA and Nomex FR Lenzing fabrics are inherently flame resistant and will never melt. The Fabric will protect the wearer from heat and flame of a flash fire. It also provides valuable seconds of protection for escape and minimising the potential for burn injury.

## Nomex® IIIA

[ 92% Nomex, 5% Kevlar, 3% Carbon Fibre ]

Colour	Weight	Code	Durable Water Repellency
Orange	150gsm / 4.5oz	IIIAO150	✓
	200gsm / 6oz	IIIAO200	✓
Red	150gsm / 4.5oz	IIIR150	✓
	200gsm / 6oz	IIIR200	✓
Yellow	150gsm / 4.5oz	IIIA150	✗
	200gsm / 6oz	IIIA200	✗
Grey	150gsm / 4.5oz	IIAG150	✗
Navy	200gsm / 6oz	IIAN200	✗
Spruce Green	200gsm / 6oz	IIISG200	✗

Protection is inherent, "built into" the molecular structure of the fibre itself. It does not come from chemical treatment or add-ons. This means that the flame and heat resistance of Nomex garments is stable and permanent and will not "wash out".

## Nomex® FR Lenzing

Dark Navy	160gsm / 4.7oz 50% Nomex, 50% FR Lenzing	9370DN160	✓
	200gsm / 6oz 70% Nomex, 30% FR Lenzing	9658DN200	✓

Polartec® Windpro FR - Fleece [ 44% Viscose, 39% Modacrylic, 14% Para Aramid, 3% Spandex ]			
Non drip, non melt for life of garment			
Colour	Weight	Code	Durable Water Repellency
Black	373gsm / 11oz	FLCB	✓
Navy		FLCN	
Orange		FLCO	
Hi Vis Yellow		FLCY

# WINTER CLOTHING

Sisley All Rounder Jacket

Sisley All Rounder Polartec Fire Retardant Fleece 424gsm Polartec Wind Pro FR fabric is the reference standard for resistance, and is 4-times more wind resistant than traditional fleece. The fabric is permanently flame resistant and will not melt or drip on the skin when exposed to heat or flame. Additionally, the fabric provides warmth, outstanding breath-ability, lightweight comfort and water repellent.

- Available in Navy, Black, Orange & Hi VIS Yellow
- Left chest pocket with vertical zip
- Nomex fabric on elbows
- 2 x welted zippered hand pockets
- Flight suit sleeve pocket on left sleeve
- Nomex open ended zipper

Can be customised to your company needs or uniform style requirements

# SUMMER CLOTHING

Our new Sisley Summer Jacket has been designed to reduce fatigue in warmer climates.

Made with a black Polartec Power Dry fabric torso; a unique blend of fibres for permanent flame resistance, superior wicking action, high breathability and quick drying.

A comfortable next to skin fabric that will not melt or drip on the skin when exposed to flame. Sleeves, shoulders and collar are made with your choice of our light weight Nomex colours.

This jacket is a pull over style, featuring; short front Nomex zip, shirt style collar, left zipper sleeve pocket with pen/torch pocket and flap, hook and loop tabs on sleeve cuffs, and Nomex stitching.

Maintain a corporate look by including sleeve badges, logo transfers, embroidery or reflective tape- all offered in house at Sisley Clothing.

We have recieved nothing but great feedback on this design and believe this product serves great to those in hotter climates- reducing fatigue safely and comfortably.

## Our Light Weight Options:

Black	Royal Blue	Freedom Green	Orange	Yellow
Navy	Medical Green	Tan	Red	Grey

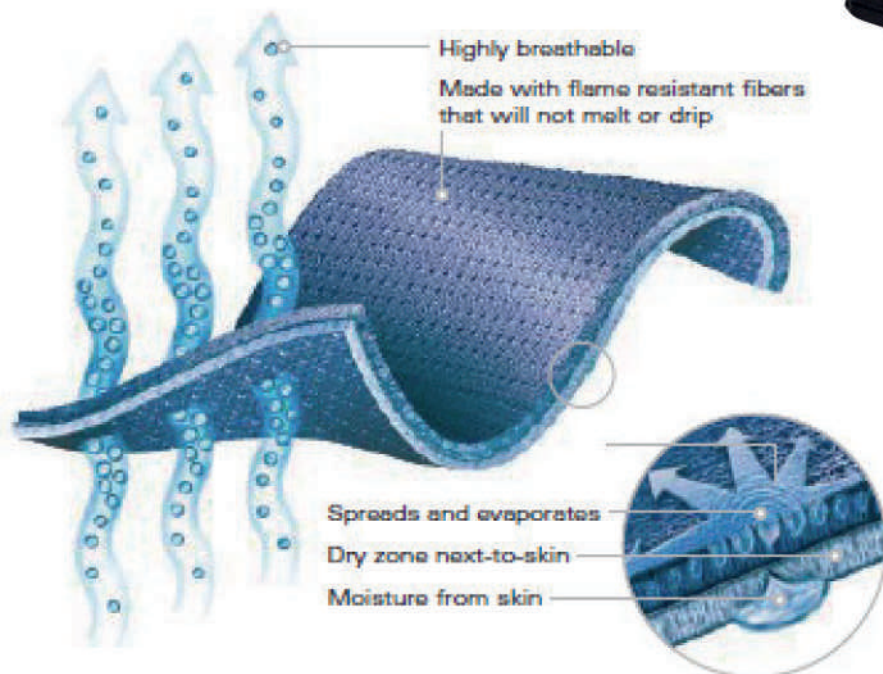

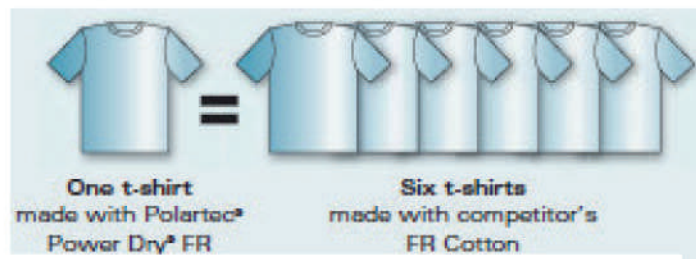

# SUMMER CLOTHING

## Power Dry Shirt
